

All Armor/Clothing Sets

- There is no "official" Achievement for this so I compiled my own list!
- EVERY other list I found on the internet (as of JUNE 2023) was missing multiple items
- There are 144 sets, extra pieces that go with another set are combined with that set (indented on the next line).
- "CAN ALTER?" column has codes for the pieces you can alter: H = Head, C = Chest
